The Capitol Dome has nearly always been a meaningful part of the Baltimore & Ohio Railroad logo. For a time, around the outside of the Capitol Dome image, there was a ring that contained the slogan “Linking 13 Great States With The Nation”. METCA, the Metropolitan Division of the Train Collectors Association, has incorporated this logo and slogan into our 2011 Division Car. This new Limited Production 6-52583 METCA Baltimore & Ohio Mint Car is 100% Lionel made and decorated, features die-cast sprung trucks/couplers, a metal brake wheel, a metal frame, and includes a chrome bullion bar load. **This car is in stock (April 2011)** and is the perfect companion to METCA’s ongoing railroad themed *Heritage Mint Car Series*®. There is no deadline to order, but since this car is already on hand, sales are strictly First Come, First Served and will be available in-person at any of METCA’s 50th Anniversary events during 2011, as long as the limited supplies last. Previous cars in the *Series* have all Sold Out, so don’t wait until the last minute to order!

Available exclusively from METCA.
