“The Route of the Dashing Commuter” was a reference to people that had to run to catch their Long Island Rail Road commuter train into New York City. The fellow depicted in the logo was nicknamed “Dan”. METCA, the Metropolitan Division of the Train Collectors Association, has incorporated this logo and slogan, along with design references to one of LIRR’s previous owners, the Pennsylvania Railroad, into our 2012 Division Car. This new Limited Production 6-52596 METCA Long Island Rail Road Mint Car is 100% Lionel made and decorated, features die-cast sprung trucks/couplers, a metal brake wheel, a metal frame, and includes a gold bullion bar load. This car is scheduled for delivery in late summer of 2012. This car is the perfect companion to METCA’s ongoing railroad themed *Heritage Mint Car Series*©. There is no deadline to order, but only orders received by November 30, 2011 can be guaranteed. Previous cars in the *Series* have all Sold Out, so don’t wait until the last minute to order!

**Available exclusively from METCA.**
