The classic Lionel Girls Set consisted of rolling stock representing 4 railroads, NYC, MKT, Lehigh Valley, and Pennsylvania. Half of those RR's appeared on box cars, but not the other 2 names ... until now! Inspired by the girls Lehigh Valley hopper and the PRR caboose, these 2 new 6464 cars are the perfect addition to your Girls Set, any 6464 collection, or even a Boys Set. The PRR 6464-200 features lettering similar to the regular Tuscan colored car. The purple Lehigh Valley 6464-520 fills in the missing number in the 6464 series (you always wondered why the 6464-520 number was skipped in the Postwar era; mystery solved!). These 100% Lionel made and decorated 6464 sized box cars are decorated and assembled in the USA with beautiful smooth sides and single door guides. Please, do not delay; order today. You can also order online and pay with your credit card or PayPal. Go to www.METCA.org
