Order NOW – Limited Time Offering

The Reedy Creek Improvement District was established in 1967 to provide utilities and emergency services to a planned theme park in the middle of Florida's swamp land. The Magic Kingdom opened in 1971 and the Reedy Creek Fire Department continues to serve Disney World to this very day. Decorated like the RCFD's rescue vehicles, this car makes the perfect addition to any Disney themed train collection. As the exclusive emergency services provider to Disney World, the RCFD is known as The Happiest Fire Department On Earth! This 100% Lionel made and decorated 6464 sized box car is molded, decorated, and assembled in the USA. The car (2001240) features a stamped metal frame, metal brake wheel and die-cast sprung trucks. Please, do not delay; order today. You can also order online and pay with your credit card or PayPal. Go to [www.METCA.org](http://www.METCA.org)
